

**Agenda for Campus Asia faculty meeting, symposium and workshop
March 7-9, 2018**

For Alumni Participants

7-Mar

Time	Activity	Remark	Venue
9:00 - 9:30	Registration		
9:30 - 9:45	Greetings	Dean of Graduate School of Medicine, Professor KANEDA Yasufumi (Director for Global Health Initiative)	
9:45-10:00	Signing ceremony Doble Degree Program	Representatives from Yonsei University (Dean of College of Medicine, Prof. SONG Si Young) Tianjin University of Chinese Medicine (Dean of Graduate School, Prof. WANG Yi) Osaka University (Dean of Graduate school of Medicine, Prof. Kaneda)	Auditorium (A), Medical School
10:00-10:30	Self-introduction / Group Photo	Faculty and staff	
10:30-11:00	Alumni ceremony / Group Photo	Alumni	
11:00-11:15	Group Photo	All participants	
11:15-11:45	Summary for Achievements of Campus Asia project 2017-2018	Professor ISO Hiroyasu Osaka University	
12:00 - 13:30	Lunch		
13:30 - 13:45	Introduction and Update of Educational System from Partner Universities	Osaka University Professor WASA Masafumi	Auditorium (A), Medical School
13:45 - 14:00		Osaka University Project Assistant Professor BABA Sachiko	
14:00 - 14:15		Yonsei University Professor PARK Sahng Wook	
14:15 - 14:30		Peking University Professor XU Baiyu	
14:30 - 14:45		Tsinghua University Professor ZHANG Jingren	
14:45 - 15:00		Tianjin University of Traditional Chinese Medicine Professor WANG Yi	
15:00 - 15:15		Shanghai Jiao Tong University Vice President ZHENG Zhong Min Xianhua Hospital	
15:15 - 15:30		Shanghai Jiao Tong University Deputy Director DAI Jiaying School of Medicine	
15:30 - 16:00		Discussion	
	Coffee braek		TBD
16:00 - 18:00	Poster Session	Exchanged students	Center of Medical Innovation and Translational Research, Seminar roomA
18:00 - 18:30	Move to "Minerva restaurant, Ichō-kaikan 2F"		
18:30 -20:30	Welcome Reception	Fuculty, staff and Alumni	Minerva restaurant, Ichō-kaikan 2F

Agenda for Campus Asia faculty meeting, symposium and workshop March 7-9, 2018

For Alumni Participants

8-Mar

Time	Activity	Remark	Venue
8:45 - 9:00	International Symposium Registration	Administrative	Multimedia Hall, Center of Medical Innovation and Translational Research
International Symposium			
9:00 - 9:25	Mechanisms of calcium independent but voltage dependent secretion (CiVDS) in mammalian primary sensory neurons	Professor ZHOU Zhuan Peking University	
9:25 - 9:50	Voltage-Sensing Proteins; from basic mechanisms to bioengineering	Professor OKAMURA Yasushi Osaka University	
9:50 - 10:15	Academic systems of Graduate Programs in Yonsei University College of Medicine	Professor PARK Sahng Wook Yonsei University	
10:15 - 10:40	Research Themes Adipose tissue pathology, Adipocytokines, Metabolic syndrome	Associate Professor Fukuhara Osaka University	
10:40 - 11:05	Regulation of cell proliferation by a novel family protein p15RS and CREPT	Professor CHANG Zhijie Tsinghua University	
11:05 - 11:25	Heterogeneity of Tumors; from microscope to ??	Professor MORII Eiichi Osaka University	
11:25 - 11:45	Intravital imaging of immune systems: opening a new era of biomedical researches for dissecting dynamic nature of life.	Professor ISHII Osaka University	
12:00 - 13:00	Lunch		
13:15 - 13:40	Activities of prof. So Yoon Kim and AIBHL at Yonsei University	Professor KIM So Yoon Yonsei University	Multimedia Hall, Center of Medical Innovation and Translational Research
13:40 - 14:05	Ethical and policy issues of medical research and practice with focus on genomic medicine and new ways of patient engagement	Professor KATO Kazuhito Osaka University	
14:05 - 14:30	Study of Main Bioactive Constituents of <i>Tripterygium wilfordii</i> on CYP450 Enzyme and Drug Transporters	Professor HE Xin Tianjin University of Traditional Chinese Medicine	
14:30 - 14:55	Cancer therapeutics and diagnosis targeting amino acid transporters: From pharmacological aspects	Professor KANAI Yoshikatsu Osaka University	
14:55 - 15:05	Coffee break		
15:05 - 15:30	Introduction of Scientific Research In Xinhua Hospital Radiology Department	Professor WANG Hui Shanghai Jiao Tong University, Xinhua Hospital	
15:30 - 15:55	Alph-emitting Radionuclides Study for Nuclear Medicine Therapy	Professor HATAZAWA Jun Osaka University	
15:55 - 16:20	Brief Introduction the Research work of Nuclear Medicine in Renji Hospital, School of Medicine SJTU	Professor SONG Shao Li Shanghai Jiao Tong University, Renji Hospital	
16:20 - 16:45	Career Development in International Organizations; Approaches from Under-Represented Countries-China, Japan and Republic	Guest Professor NAKATANI Hiroki Keio University / Osaka University	
16:45 - 17:10	Population aging in China	Professor WANG Peiyu Peking University	
17:10 - 17:35	Discussion	Moderat / Discussion Professor. ISO Hiroyasu Osaka University	
19:00 -	Information exchange under dinner		
Contact:	Campus Asia Project Office TEL (+81) 6-6879-3914 Cellphone +81-80-4562-0912 (+81) 6-6879-3913		Japanese restaurant near the Hotel Umeno Hana

Agenda for Campus Asia faculty meeting, symposium and workshop March 7-9, 2018

For Alumni Participants

9-Mar

Time	Activity	Remark	Venue
9:00 - 12:00	Participate Workshop Further discussion in each educational and research fields between Osaka University and partner universities. -Introduction of faculty and potential students for the Campus Asia Project -Discussion on the detailed plans of exchange and provided programs (TBC)	Professors Iso, Kanai, Hatazawa, Okamura, Yoshimori, Morii, Kato, Shimomura.	Laboratoies of Professors Iso, Kanai, Hatazawa, Okamura, Yoshimori, Morii and Kato.
12:00 - 13:00	Lunch	Lunch Box	Each site above
13:00 -	Sum-up session Plan for the next year meeting (TBC)	All participants	Seminar Room, 2F, Center of Medical Innovation and Translation Research
Closing			
15:30 - 17:00	External evaluation committee	Professors Iso, Kanai, Member of external evaluation, Asso. Prof. Shirai, Assist. Prof. Lui, Shimizu(Officer)
