

# Introduction To Global Health

**Dates:** 11, 18, 25 November; 9, 16 December 2017

**Venue:** Osaka University Suita Campus/  
Nakanoshima Center (12/9 )& Tokyo Branch

**Language:** English

Organized by the Department of Public Health, Graduate School of Medicine, Osaka University

This all English course offers an unique opportunity to learn the concept, trend and approach of global health from 14 world class experts from Osaka University Faculty, Japan, United States and Switzerland. Participants can gain practical knowledge and problem-solving skills to meet with both local and global challenges, with special focus of SDGs, Ageing and NCD.

**Please apply online:** <http://www.msc.med.osaka-u.ac.jp/index.html>

**Enquiry:** [event@pbhel.med.osaka-u.ac.jp](mailto:event@pbhel.med.osaka-u.ac.jp)

**In case of many applications, priority is given to Osaka University students.**
