

# Introduction To Global Health

**Dates: 4, 11, 18, 25 November; 2 December 2023**

**Style: Virtual Lecture Series**

**Language: English**

**Organized by the Department of Public Health, Graduate School of Medicine, Osaka University, this all-English course offers a unique opportunity to learn the concept, trend, and global health approach from 13 world-class experts from Osaka University Faculty, WHO, ministries, partnership, academia, and NGO in Japan and abroad. Participants can gain practical knowledge and problem-solving skills to meet both local and global challenges. This year, future vision with/beyond COVID-19 pandemics and emerging new global health architecture will be discussed, together with the ongoing issues of SDGs, Ageing, and NCDs.**

**Please apply online: <http://www.pbhel.med.osaka-u.ac.jp/>**

**Enquiry: [global@pbhel.med.osaka-u.ac.jp](mailto:global@pbhel.med.osaka-u.ac.jp)**

**In case of many applications, priority is given to Osaka University students.**
